Test Your Knowledge

Have your students take this lesson's assessment prior to engaging by visiting:

<https://stemsports.com/assessments/>.

If you have limited digital capability, please email Info@STEMSports.com to access the Assessment & Key.

Fun Fact

Did you know that if the ball hits a player's body or any part of their clothing before it lands, it is their opponent's point (even if it would have gone out)?

Engage

Is there a time you wish
you had “instant replay”?

Explore

Perform a game of tennis in which you and your peers will determine if the ball is in or out and record your results on the [worksheet](#).

Explain

Write down criteria and constraints of using technology in tennis, such as Hawk-Eye.
Use the [worksheet](#) as a guide.

Elaborate

Watch the [video](#) on instant replay and add to your list of criteria and constraints of using replay technology.

Evaluate

Write a letter to the USTA based on your findings from the lesson.
Use the [worksheet](#) as a guide.

What Did You Learn?

Have your students retake this lesson's assessment to effectively evaluate their comprehension by visiting:

<https://stemsports.com/assessments/>.

If you have limited digital capability, please email Info@STEMSports.com to access the Assessment & Key.

Extend

Challenge Yourself!

Present your letter to your peers and include a Q & A session to support your claim.
