

Name: _____

Success at the Plate

GRADES 3-5

X = Hit O = No Hit

Trial 1

Swings	S1	S2	S3	S4	S5	S6	S7	S8	S9	S10	Fraction
Hitter											

Write a mathematical expression using the greater than or less than symbols comparing your prediction to your experimental results.

X = Hit O = No Hit

Trial 2

Swings	S1	S2	S3	S4	S5	S6	S7	S8	S9	S10	Fraction
Hitter											

Based on your data from each trial, put the fractions in order from greatest to smallest using the greater than/less than symbols (< >).

Based on this information, were you more or less successful before or after watching the video and changing your swing? Please explain.
