

Name: _____

Evolution of a Softball Glove

GRADES 3-5

Energy Consumption

Throws	Observations	Energy (More, less)
Light/Slow - Ground Ball		
Hard/Fast - Ground Ball		
Pop Fly		
Line Drive		

General Similarities and Differences

Glove 1	Glove 2	Glove 3	Glove 4
			

Name: _____

Evolution of a Softball Glove

GRADES 3-5

Performance of each glove based on the Energy Comparison Table:

Glove 1	Glove 2	Glove 3	Glove 4
			

1. What are similarities and differences between softball gloves of the past and today's softball gloves?
2. Based on your list of similarities and differences, what glove would you prefer to play with for protection?
3. Based on your list of similarities and differences, what glove would you prefer to play with for performance?
4. How has glove technology changed the game of softball?
