

Name: _____

Speed of the Volleyball

GRADES 3-5

Hit Type	Bump	Set	Serve (Underhand)	Serve (Torque)
Labeled drawing of the hit and motion				
Distance				

Name: _____

Speed of the Volleyball

GRADES 3-5

Using the radar gun measure speed of each type of volleyball hit (bump, set, serve) and record the data.

Hit Type	Trial 1	Trial 2	Trial 3
Bump			
Set			
Serve (Underhand)			
Serve (Torque)			

Write a mathematical expression putting each hit in order from fastest to slowest. Support your expression with a written justification.
