Test Your Knowledge

Have your students take this lesson's assessment prior to engaging by visiting:

<https://stemsports.com/assessments/>.

If you have limited digital capability, please email Info@STEMSports.com to access the Assessment & Key.

Fun Fact

To provide the goalie with better balance and to make it easier to move side-to-side, skate blades worn by a goalie in ice hockey are shorter than those worn by the other players.

Engage

Where is the easiest place to score a goal in hockey?

What type of shot is the easiest to score with?

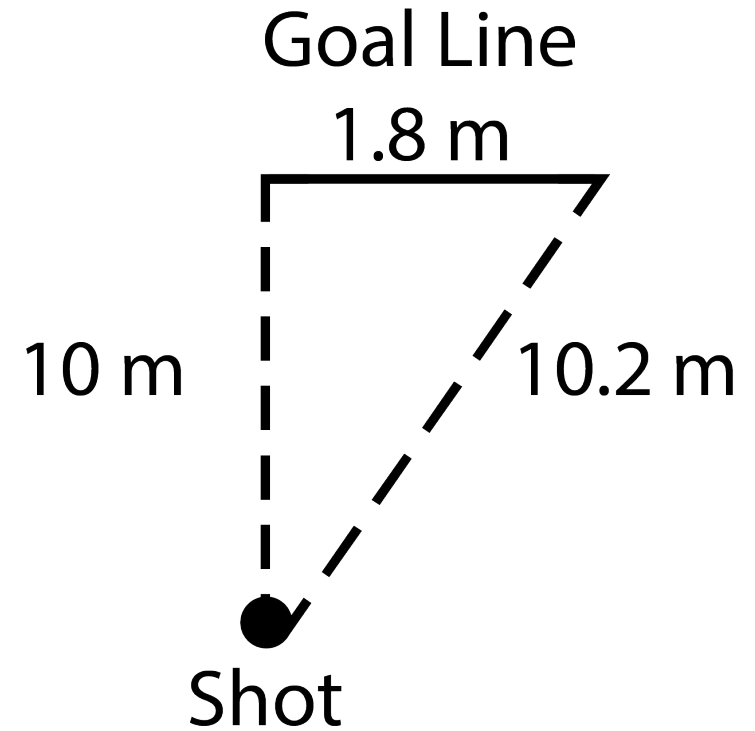

Explore

Split students into groups, find (or make) a goal and then determine four locations they want to shoot from.

Explain

Model for students how to find the area of their shooting triangle.

Elaborate

Use the [worksheet](#) as a guide, record the dimensions of your shooting triangles and the results of each shot.

Evaluate

Use the [worksheet](#) as a guide,
and sketch each shooting triangle.

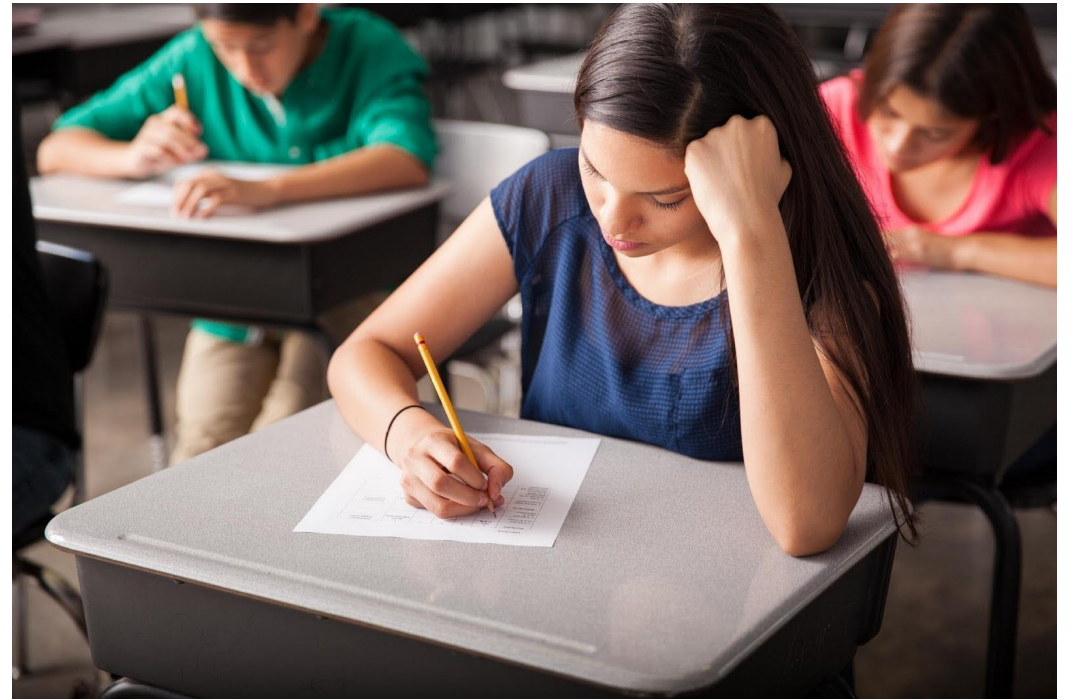

What Did You Learn?

Have your students retake this lesson's assessment to effectively evaluate their comprehension by visiting:

<https://stemsports.com/assessments/>.

If you have limited digital capability, please email Info@STEMSports.com to access the Assessment & Key.

Extend

Challenge Yourself!

Make a claim between the size of the shooting triangle and the number of goals scored.
