

ALL STAR kit

The STEM Sports® All-Star Kit provides turnkey sports-based STEM learning at home for students grades 3-8.

Help a child you love unbox their inner champion! The All-Star Kit brings STEM education home with hands-on learning, physical activity, and minimal screen time. Our self-guided lessons introduce the science behind the sports kids love. Available in two different grade bands (3-5 & 6-8), we provide an exciting experience from box unveiling to kit implementation.
